**GROUNDWATER MANAGEMENT PLAN FOR THE CITY OF CORONA  
DEPARTMENT OF WATER AND POWER**

NOTICE IS HEREBY GIVEN that at 7:00 p.m. on June 18, 2008 at City Hall Council Chamber, 400 S. Vicentia Avenue, Corona, CA, a public hearing will be held to discuss whether or not the City of Corona, Department of Water and Power should adopt a Final Groundwater Management Plan.

Section 10753 of the California Water Code permits the adoption and implementation of groundwater management plans to encourage authorized local agencies to manage groundwater resources within their service area.

The Final Groundwater Management Plan recommended for adoption, studies three basins; the Temescal, Bedford and Coldwater Basin. The plan provides the Department of Water and Power with twenty-five management strategies, referred to in the plan as Basin Management Objectives, and a recommended implementation schedule to assist in developing a more sustainable groundwater supply.

Landowners within the City of Corona and other interested parties are invited to attend the hearing. Copies of the proposed resolution and other relevant written materials will be available for review by the public at the hearing or may be obtained in advance at the Department of Water and Power, 755 Corporation Yard Way, Corona, CA. Opportunity for public questions/input will be provided at the hearing.

The public is invited to attend and comment on the plan described above. Due to time constraints and the number of persons wishing to give oral testimony, each speaker will be limited to three minutes. You may make written comments and submit them to the City Clerk for inclusion into the public record. If you challenge any portion of this project in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or written correspondence delivered at, or prior to the public hearing. Any person unable to attend the public hearing may submit written comments to the City Clerk, 400 S. Vicentia Avenue, Corona, CA 92882. If you have questions regarding this notice or the applications to be heard, please call the City Clerk's Office at (951) 736-2201.

For additional information pertaining to the Groundwater Management Plan, please call the Engineering Division at (951) 736-2234.
