City of Corona

# Press Release

The City of Corona Department of Water & Power will be closing the R.V. dump site on Railroad Street and opening a new R.V. dump site on East Harrison Street.

**Beginning November 1, 2006:** The R.V. dump site located at Corona's Wastewater Treatment Plant #1 on Railroad will be closed, and a new R.V. dump site will be opening. The new dump site is located at Wastewater Treatment Plant #2 at 650 East Harrison Street.

**Directions:** The new location is approximately 0.6 miles east of North Main Street, just east of Joy Street. The site entrance is on the south side of East Harrison Street, at Wastewater Treatment Plant #2.

**Hours of Operation:** Sunrise to Sunset, Seven (7) days a week.

For more information please call (951) 736-2481.
