

The 7th annual Corona Police Department **“Kids & Cops Holiday Magic”** will take place on Saturday, December 12, 2009, at Sheridan Park (located at 3rd & Sheridan, in Corona), from 10:00 am – 1:00 pm. The event provides craft and game activities for underprivileged children from our community. Last year, over 1000 underprivileged children were presented with gifts made possible through generous donations. The sponsors will be recognized in the media.

The **“Kids & Cops Holiday Magic”** Program is made possible through community donations. With this mind, the department is seeking donations to provide gifts for the children or gifts appropriate for ages 3-12 years and valued at \$10 - \$15. Any donation from your business would be greatly appreciated. The partnerships created when the Police Department joins together with the community, create a positive teamwork atmosphere and enhance the working relationships between everyone involved. Your positive and enthusiastic approach will ensure a successful event!

Please make any checks payable to the Corona Police Activities League, Inc.

For additional information, please feel free to contact Lieutenant Jerry Rodriguez at (951) 736-2419, or Sergeant Jacque Nielsen at 279-3678. Thank you for your support of **“Kids & Cops Holiday Magic”**!

Sincerely,

Richard E. Madory
